Translation Evaluations – How to Use Your Feedback

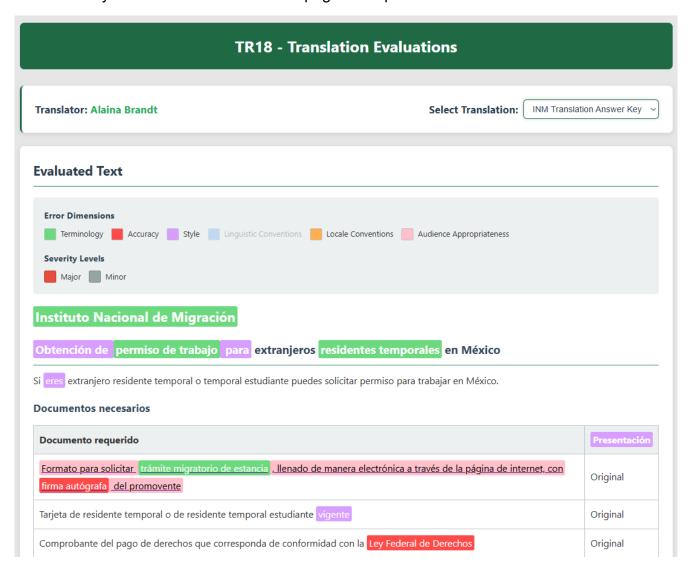

- 1. Download and install Visual Studio Code
- 2. Install the Live Server extension

- 3. Download and unzip the archive containing these files:
 - Translation-evaluations.html
 - scripts.js
 - styles.css
 - config.json
 - [yourlastnames] [text-name]-evaluation.json
- 4. Open the folder containing these files in Visual Studio Code
- 5. Right click on the texto1-evaluation.html file and click Open with Live Server

6. View your results on the local webpage that opened

7. Please let me know of any display issues that you encounter so that I can troubleshoot the code as necessary!
